

Delicious Chocolate Cake

Chocolate cake is so delicious, it makes my mouth water just to think about it. In the first place, I love the smell as it drifts through the house. My mother has a secret recipe for it. When the scent tickles my nose, I cannot resist. As well, the rich creamy icing is begging to be eaten. I always swipe my finger across the top. When I lick it, the sugar blast melts on my tongue. Finally I take a huge bite. The first forkful is heavenly! As the moist cake dissolves in my mouth, I lick my lips so I don't lose a drop. As you can tell, I have an addiction to delicious chocolate cake.
